A big thank-you to all our members & speakers who made our club a success in 2004/5.

Highlights of the past year have been:-

Our own show at Martlesham. Thank you to everyone that helped on that snowy day.

Suffolk Show where our members display won the 'Notcutts Silver Salver' & a large gold medal. Particular thanks go to our members who contributed those wonderful orchids. To Shirley & William Patrick for the design & members who helped to arrange the display.

Finally to Geoffrey Wilson who hosted our garden party in July. What a smashing way to hold our AGM at the same time.
